Aihe: TO SANTINI RISTORANTE MANAGEMENT [and Finpro Milan], great work at Santini on Oct 3rd

Dear manager at Ristorante Santini, Milan 

cc Birgitta Kankaro, Finpro, Milan

This e-mail is to thank you at Santini for your devoted service on Friday Oct 3rd on our Finnish - Swedish late dinner meeting between 20 p.m. to 22 p.m. in cabinet "Sala Verde".

As to professionalism of the chef, professionalism of your staff - both young and old - the evening fully lived up to the expectations of combining negotiations with pleasant service and excellent food.

Actually "pleasant service" does not do justice to the attitude and quality of you work...

Yes - it was a combination of great art, devotion and professionalism of the whole Santini team.

Please, kindly tell these regards to your personnel.
